Dear Captain Wolfe:

I just returned from Washington this morning and the conclusion with reference to "Civil Air Patrol" is that the Music Section, Special Service Division of the War Department cannot make funds available for the record, and that another avenue of approach would be through Public Relations or the Special Service Division of the Air Force.

Sincerely,

Harry Salter

MEMORANDUM

TO: Captain Henry A. Hawgood

FROM: Captain Richard S. Wolfe

1. Following our telephone conversation, I discussed with Lt. Lichte the possibilities of obtaining funds to procure 500 recordings of the "Civil Air Patrol" song and he somewhat questions the availability of such funds under his jurisdiction.

2. He has requested from Washington a statement clarifying the purposes for which such funds can be used and upon receipt of this information, we can then determine whether such funds will be available for this purpose.

3. I will be glad to discuss this matter further with you at your request but it is apparent that we will not have any definite answer for the next week or ten days.
